## VFW

### VFW Post 9036 meeting 21 July 1900

The Payette County Fair is planned to be held 10-13 August. Again as in years past you are asked to volunteer as much time as you can for the fair. This is our biggest fundraiser of the year and we can always use as much help as we can get. A signup will be available at this month's meeting. Usual signup is 2 to 6 hour blocks as many days as you want to help. Now is the time to think about how much time you can provide so that you can signup at this month's meeting. It is something that you can really have fun with interacting with the local people and the 4H and FFA members. Come help us out this year and meet your fellow post comrades.

We will have an entry in the Payette County Fair Parade with candy to throw to the kids and flags waving so plan on being there and representing the VFW. Time to be determined at later date.

The State and Rifle Raffle tickets have been selling well. Prizes this year for are raffle are:

- 1ST- Henry 22LR Golden Boy
- 2ND- Traeger Tailgater donated by Campbell Tractor Fruitland
- 3RD- 7 Day Cooler

## AUXILIARY

### Auxiliary meeting 21 July 1900

Typical schedule for the fair is cleanup and setup on the 6th of August. Monday the 8th of August is stock up day, i.e. Cash&Carry, Pepsi, French Fries and whatever else we need to get ready for startup on Tuesday. Lots to be done and make our presence known to the community. The actual fair dates are 10 August- 13 August but we always open the booth on the Tuesday before as there is a lot of things going on.

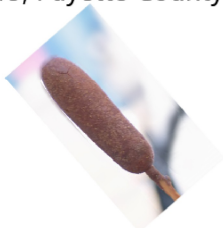

Again it can't be emphasized enough how much the volunteers help make our booth a success. If you can donate some time please be thinking about it and signup at July meeting.

Our new sign has been designed and is on order. Could take a few months for completion
